Recommended For

Curved  
Walls

Setback  
Walls

Garded  
Edging

Hudson Stone is an attractive, DIY friendly garden edging block which is perfect for creating garden beds and borders. These easy to handle blocks simply stack on top of one another to create curved or straight walls up to 300mm high, ideal for separating your lawn from the garden edge!

## COLOUR OPTIONS

Oatmeal

Sunstone

Charcoal

Due to natural variations in aggregates, colour tones may vary from batch to batch.

Whilst these swatches provide a good indication of the products colour, you should always sight product samples before use.

## AVAILABLE SIZES

Hudson Stone  
5 units per l/m

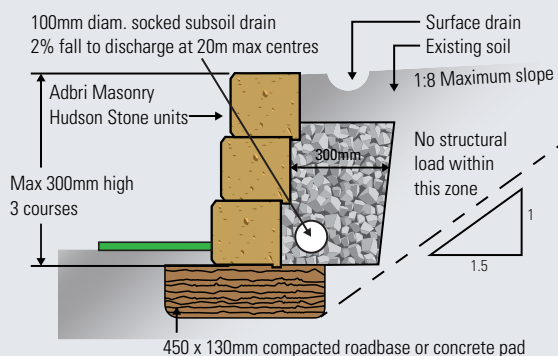

Maximum non reinforced height 300mm (3 courses)
